

Wall Mounted

With its elegant design, iCircum is developed to illuminate outdoor areas; enhance and blend with the surrounding architecture. Provides high visual comfort without glare. Architectural wall lighting range inspires architects, designers and system integrators with its exceptional quality, homogeneous beam and remarkable creativity.

Unique and Versatile

iCircum embraces the walls as a unique decoration, characterized by its round minimal shape and is a structured luminaire suitable for any type of context, classic or modern. Creates a charming atmosphere for the surrounding spaces.

Compact and high performance luminaire with impressive versatility. Suitable for easy installation on walls.

Integrated Solution and Easy to Install

Plug and play built-in system with the fully integrated universal power supply unit.

The watertight plug connector ensures easy, fast and secure installation. The robust luminaire fits seamlessly into the architecture.
