

Diffused beam

Available in Black colour

Available in Corten colour

Available in Silver colour

The decorative cubic pillar light is designed for diffused illumination with no glare. Modern square cube LED Pillar Lamp outdoor waterproof landscape lighting.

Architectural pillar LED range inspires architects, designers and system integrators with its exceptional quality, functional light distribution and remarkable creativity.

Cubic and Modular

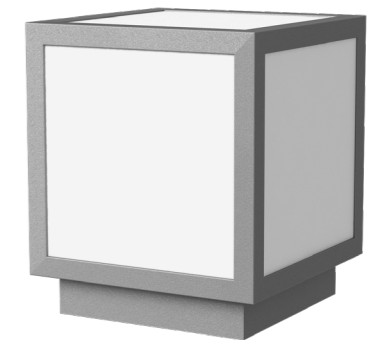

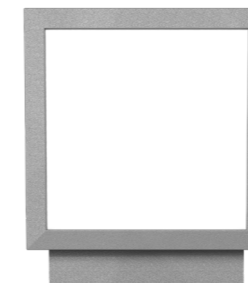

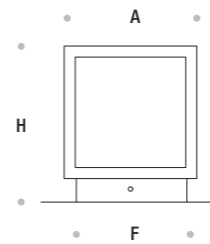

Smooth, cubic, decorative pillar with clear lines and pure architectural volumes of light provides high visual comfort.

Modularity and refined look unleash creativity while delivering high performance for a wide range of applications. Basic form in geometry meets the most innovative technology to create this product with its ultra-modern style.

Solid Design and Easy to Install

The solid luminaire, which is equipped with an integral power supply unit, is optionally available with DALI control or in the user-friendly On-Off version.

The product is supplied pre-wired, permitting simple, rapid and safe installation.

Technical Features

Corrosion resistant double layer polyester powder coated paint finish die cast aluminium housing, aluminium extruded column (EN AW-6060) with stainless steel screws (A4 grade) and silicone gaskets. Power unit is built in. Available in anthracite gray as a standard finish or any desired RAL colour.

LED MacAdam Step 3

Nominal Voltage 220V-240V AC, 50/60Hz

Operating Temperature -40°C / +55°C

Control Systems 1-10V DIM, DALI Interface

Protection Class IP65

Impact Resistance IK08

Insulation Class I

Complies with EN60598 and relevant standards.
